

# **“Bigfoot 2025 Bowhunter Skins Game”**

***THE SKINS GAME IS BACK WITH A 3D / DOT TWIST!  
Shooters have been asking for us to bring back the  
SKINS GAME since we stopped it in 2020!***

## ***What is “The Bigfoot Bowhunter Skins Game”?***

- It is an exciting Money Shoot-Off on Sunday (2PM) at the BKB practice area.
- To qualify you will be shooting \*Bowhunter Style equipment at 30 3D's on “B” Range on Sunday AM. Here's a twist! To make the “SKINS SHOOT-OFF” as exciting for the spectators and the archers the 2PM Shoot-Off will be shot at Paper Field Targets just like we did some years back.

Payouts on the spot!

**How do we define \*Bowhunter Style for this event?**

## ***Who can shoot the Bowhunter Skins Game?***

- To qualify you must shoot Bowhunter Style on Sunday and submit one of the TOP 8 3D scores.
- Score cards must have three signatures, yours and two other witnesses.
- We reserve the right to break up groups.
- To qualify your properly signed scorecard must be turned in by 1:30 PM. If you are late, you are out! At 1:45 the qualified shooters will be announced, and the shoot will start promptly at 2:00 pm. The registration fee is \$25.00 (paid after you qualify). We anticipate the total purse to be at or near \$1600 in Cash or Gift Cards depending on anticipated sponsors.
- That is \$200 in cash or Gift Certificates per target.
- We will have a very nice prize for the ninth-place highest scoring shooter who just misses the cut.
- Skins Payouts may be in the form of cash or gift certificates or donated items.

## ***What is the format for the Skins?***

**How do we define \*Bowhunter Style for this event ?**

**Fixed or Adjustable Pins OK, No Lens, Scopes or Long Stabilizers (15”Max)! Range Finders OK!**

- Three arrows per target, shot at 8 field faces. Scoring is standard 5,4,3. Note: X's will count on each target. An inside out X counts the same as an X touching the line.
- Top score on each target will win the purse for that target. If there is a tie, the money for that target will carry forward to the next target. Another tie? The purse carries forward until there is a winner.
- You will shoot eight distances at field or hunter targets that may or may not be normal for the distance.
- If any of the top eight are unable or choose not to shoot the Skins Game, then the next highest scoring shooters will become eligible to register and shoot.

All calls by the officials are final. We will enforce a three-letdown rule. Any archer who commits this infraction will not be eligible for money on that target only.
