Redding Style “3D” Money Shoot-Off

Sunday July 14th, 2024, at 2:00 PM

For 2024 we are trying something NEW!

On Sunday any registered shooter can try to qualify for our “Redding Style” 3D Shoot-Off to be held at 2:00PM. You will qualify by shooting our specially set up 30-target 3D range which will feature orange dots on 30 Rinehart 3D targets.

Scoring for qualification is 11,10, 8, 5

Scoring for the elimination rounds is 11,10,8,5 but will include a14 ring.

The 3D Elimination round will be shot at the practice range as follows:

1. Top 8 Sunday Scores on our 30 target Redding Style 3D compound course will qualify to shoot the Elimination Round. Scoring for qualification is 11,10,8,5.
(There is no 14 ring during qualification round). If you qualify and choose to shoot, the buy in is \$25.00. Scorecards must be signed by three shooters and turned in by 1:30 pm. If you are late, you are out! Please don't be late!
2. For the Shoot-Off, there will be 8 3D targets on the practice area. Each target will have a Redding style orange dot “11” Ring. There will be a special nail biter 14 ring somewhere in the 5-scoring area. The 14 must be called. If the 14 is called, and missed, it will count as a 5.
3. Each of the 8 qualifying shooters will shoot 2 arrows at the target in front of them. There will be a 2-minute time limit to shoot 2 arrows. The arrows will then be scored and pulled, and each shooter will rotate through to the next target. At the end of the round, each shooter will have shot each of the 8 targets.
4. At this point, the scores will be tallied, and the 4 lower scoring shooters will be eliminated.
5. The 4 remaining shooters will shoot the same round again (Shoot all 8 targets). Pay out will be to 1st, 2nd, and 3rd places.
